**NATIONAL HARDWARE SHOW**  
Las Vegas – May 9<sup>th</sup> through 11<sup>th</sup> | Booth #IS213  
FOR IMMEDIATE RELEASE - April 28, 2017

Las Vegas, NV, April 28, 2017– [SoftSeal Respirators](#), a division of DDME, Inc., is proud to announce they will be exhibiting their family of SoftSeal Safety Respirators during the upcoming National Hardware Show in Las Vegas, May 9-11, 2017, at the Las Vegas Convention Center.

“We’re receiving many inquiries prior to the show and everyone wants to know one thing— *What is the SoftSeal difference all about?*,” says Douglas Hanley, SoftSeal Global Marketing Manager.

As pictured below, the SoftSeal family of respirators have a patented 360° medical grade silicone seal that stays sealed to the wearer’s face while they work, breathe and speak ([watch video demo](#)). SoftSeal Respirators are the only respirators available in different sizes with a silicone seal to ensure the very best fit for every person.

SoftSeal Respirators is a division of [DDME, Inc.](#), a company that focuses on Respiratory Care and Protection with products and services for consumers and several industry channels such as dentistry with tools to diagnose and treat bruxism and sleep apnea.
